

Hello my dear Friends

Yes! We are going to San Felipe on October 17th -24th, The Lord is so good, I feel His excitement as we are preparing to go, this year I feel The stirring of God for Mexico not just San Felipe, He told me long time ago that from San Felipe we will go to other places, and that's what God is been putting in my heart to reach Mexico for Jesus, I being feeling to find Pastors that really have the heart of Jesus for His Kingdom not just their congregation, Pastors that want to unite and work together for Heaven to come not just in their mountain but every sphere of society, this is the time that we as sons and daughters need to arise to really bring the counsel, the wisdom, the innovations and blueprints of Heaven to everyday life, Jesus is the answer to everyday situation, He wants us to walk with Him in everything in our life's not just at church.

So in my heart is to unite those Pastors, pray together to find the heavenly solutions for Mexico, for the Kingdom to come and be manifested in every sphere of society in Mexico, in our lives, through our lives!

And it is happening! I found one already Pastor Julio Montalvo and his wife Teresita Montalvo are coming with us from Veracruz that is on the Gulf of Mexico all the way to San Felipe that is on the Sea of Cortez, from one end to the other of Mexico they will come to unite with us and Pastor Cesar Sanchez from San Felipe, isn't God amazing? He is so ahead of us and know what He is doing! From one side to the other coming together to advance God's Kingdom and take Mexico back to Jesus!

Also we need to fix the church building from Pastor Cesar that is in the middle of the city, His vision is to go and find those that have left the church and invite them back to a "second chance" to comeback to Jesus, to be healed and restored, to walk with God again.
